

HONOURABLE Mention for Public Sector category is presented to

**The Family Law Courts of Australia (FLC)**

**“Mental Health Support Project”**

The innovative *Mental Health Support Project* is designed to help clients suffering the effects of separation and divorce on their emotional well being which increases their risk to suicide. This successful project is based on three key elements: a mental health support training program for all staff, the implementation of protocols to aide staff in managing clients presenting with mental health issues, and the development of a network of community based organisations able to provide support to clients in need.
